About Al Ghurair:

Active in pearl diving and trading since the early decades of the 20th century, the Al Ghurair family formalized its business activities with the creation of Al Ghurair Group in 1960. At that time Dubai was undergoing great economic and commercial growth. This development was spearheaded by the Rulers of Dubai, the Al Maktoum Family, and supported by the trading skills of Dubai's prominent business families. Amongst these was the Al Ghurair family.

The family was the first to start a cement factory in addition to a flour mill, a sugar refinery and an aluminum smelter. It also built the country's first shopping mall in 1981, a visionary development that spawned one of Dubai's strongest economic sectors.
