About Dubai Customs:

??????Dubai Customs is one of the leading government departments taking part in enhancing sustainable development and promoting Dubai's image worldwide, turning it into a principal capital,

business, and tourism destination, as it facilitates smooth movement of legitimate trade and leverages economic and social development, the matter which is consistent with its slogan stating “gateway to Dubai’s prosperity”, because prosperity is usually based on free trade through a safe, fast and practical environment to meet the needs of people and adapt to their requirements. This is in addition to DC’s main role to protect society and borders against those who try to smuggle prohibited substances to or through Dubai threatening the community’s safety and security.
