Electric House Systems Careers

About Electric House:

Over the years Electric House expanded its core business and has added new ventures that leverage its vast experience in the sourcing and supply and distribution of parts in the electrical industry. Today, a centrally organized company with more than 20 satellite depots in the Kingdom and Qatar and a presence in Dubai and Bahrain, it is the leading supplier of electrical and electro-mechanical

accessories to trade and industry in Saudi Arabia and looks to achieve the same position in the GCC.

Now moving into manufacturing under license and developing own-brand products, Electric House brings to bear its tradition of quality assurance and great logistical experience to manufacturing and distributing high-quality electrical fittings and fixtures in Saudi Arabia and the GCC Countries under the brand name "Power Center."?
