### About Linked In :

Founded in 2003, LinkedIn connects the world's professionals to make them more productive and successful. With more than 850 million members worldwide, including executives from every Fortune 500 company, LinkedIn is the world's largest professional network. The company has a diversified business model with revenue coming from Talent Solutions, Marketing Solutions, Sales Solutions and

Premium Subscriptions products. Headquartered in Silicon Valley, LinkedIn has offices across the globe.

At LinkedIn, we believe that the change we want to see in the world of work starts with us. That's why everything we do – for our members, our customers and our employees – is built with our vision in mind.

We aspire to create a trusted, caring, inclusive, fun, and transformational experience for each other at LinkedIn, and through our platform for every member of the global workforce.
