About Mobily Company:

Mobily (Etihad Etisalat), is the second mobile network operator in Saudi Arabia. After launching its services on May 25, 2005, within a year of services launch, Mobily was recognized by GSM World Association as the fastest growing operator in all of the Middle East and North Africa region.

Mobily is considered as the first operator worldwide to launch the 4G (TD-LTE) services commercially. Moreover, Mobily was one of the first few companies in the world to offer an unlimited data package, based on high-speed downlink packet access (HSDPA) technology. Mobily is known for its innovative services and has built a niche by distinguishing itself within the telecommunication sector.

At Mobily, we care about exceeding our customers' expectations, and we believe we can only achieve this by investing in fostering an innovation culture that can only be achieved through ensuring high levels of employee engagement, collaboration and knowledge sharing. We share a passion to empower and trust our employees to give their best, because we believe sustainable business growth can only be achieved through the personal and professional growth of our employees.
