About Petrofac:

We're a leading energy services company that helps our clients meet the world's evolving energy needs. We use our engineering know-how and our consultancy expertise to design, build, and operate world-class energy facilities that are engineered for safety, optimal efficiency, and low emissions.

We operate in a range of markets and work across the entire asset life-cycle – from design to decommissioning. These competencies, supported by flexible commercial models, robust local delivery, and a technology-neutral approach, set us apart.

Our operations are heavily dependent on our ability to attract, retain and lead the right level of skilled and experienced personnel. Core to our offering is our distinctive, delivery-focused culture.

Eligibility Criteria:

- **Fresh Graduate (UAE Nationals)** preferably Bachelor's degree with GPA 3+ in any of the following majors e.g, Retail Sales, Commercial Sales, and Finance & Banking.
- Having the ability to speak English with full confidence in front of new and regular customers.
- Good communication skills, hardworking, sincere, excellent personality.
