### About Royal Caribbean Group :

Royal Caribbean Group is proud of our entrepreneurial spirit, the force that drives us to

innovate. It's that state of mind that helps us see opportunity where others see only risk. It reminds us that "good enough" is not remotely good enough. Instead, we greet every new idea with the words "What if?" instead of "It won't work."

We invest in our communities to foster culture and inclusive opportunities, and we go above and beyond to protect the environment and ocean health for future generations.

We are committed to decarbonizing our operations through innovation and collaborative partnerships.
