

Simple creamy dessert: just blend it

Description

Ingredients:

A little container of thick cream

A box of sugary thick milk

A container of whipped cream

A powder packet to make a drink of your choosing.

Pieces of chocolate

PREPARATION:

1: To start, put all the ingredients in a blender and mix until the mixture is smooth.

2: Lastly, sprinkle chocolate powder or chocolate pieces and put in the fridge for 2 hours.

The outcome is a dessert that feels like mousse. Use small bowls or a big container, depending on your preference.
