Tasnee Careers In Saudi Arabia

About [Tasnee Company](#):

Welcome to the National Industrialization Company (Tasnee). Established in 1985, as the first Saudi private sector's fully owned joint-stock industrial company, with the aim of advancing economic diversification in Saudi Arabia.

Today, as one of the largest industrial and petrochemical companies in Saudi Arabia and one of the largest investors in the titanium value chain locally and globally, we are recognized for our wide experience, skills, efficiencies, state-of-the-art technologies, and innovative solutions that add value to our products and services worldwide.

Achievement of our corporate Vision and Mission across these diverse companies will require practices that incorporate three core aspects of sustainability; environmental, health, safety and security, social responsibility, and corporate governance.
